PRICING

To receive a price quotation for a custom made product, please e-mail, fax or mail your request to our Canvas Products Sales Department.

Our specialized personnel can assess project feasibility, material selection options, design suggestions, manufacturing time estimates and budget considerations.

We will provide you with a prompt, professional and written proposal. The proposal will include a complete scope of work indicating the quantity and type of products and services included as well as the terms and conditions of the quotation.

Prices are quoted in U.S. dollars and are valid for 30 days unless otherwise specified on the written proposal.
