Products & Services

**If you can design it...
we can build it!**

When your best solution is a custom made product, **Eide Industries** can help! Our team of technical experts will help transform your metal, fabric and graphics concepts into reality. We'll integrate telescoping and bolt together tubing frames with nylons, vinyls and canvas...and we even apply large scale graphics. When you're not sure what you want or where to get it, call **Eide Industries!**
