PARTNER *with* EIDE

Awnings, Tension Structures & Canvas Products

Many companies lose opportunities to accept projects that are either too big, too difficult, or too time consuming to handle on their own. There is a way to turn these opportunities into profit: Partner with Eide. Regardless of the size or scope of the job, or even the administrative complexity, Eide can be your key to a successful partnership.

The next time you are tempted to submit a "No-Bid," give Eide a call first. We can find ways to work together, divide the responsibilities and make the project profitable for everyone.

Please review the list of *Recent Partnering Projects* on this page. We can do it TOGETHER!
