

sunbrella® graphics system

## Partner with Eide Industries...

Your #1 Source for Custom Sunbrella® Graphics System Applications!

### **IT'S BIG!**

Eide Industries is proud to announce the installation of one of the largest certified Sunbrella® Graphics System application machines in North America!

### **IT'S PROFITABLE!**

Blow open the doors to greater profits by offering your customers a new and exciting **certified** graphics application product.

### **IT'S GUARANTEED!**

Sunbrella® Graphics System is a unique multi-color letter and logo application process that fuses opaque 3M films to Sunbrella® and Dickson® acrylic fabrics. The process carries a 5-year warranty, backed by Glen Raven, Inc!

### **IT'S INNOVATIVE!**

When your most innovative solution calls for custom applied large-scale graphics, partner with the leaders: *Glen Raven, 3M and Eide!*

**Graphic Application Experts since 1938!**
