

DEFENDER®

THE SECURITY TEXTILE

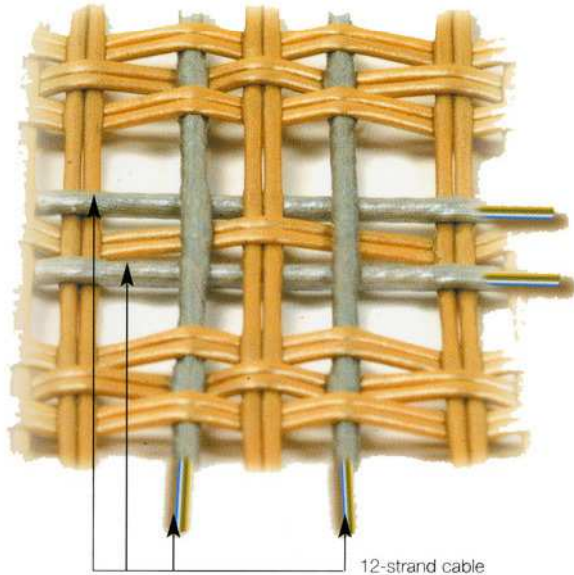

FERRARI

DEFENDER®

THE HIGH SECURITY SYSTEM FROM FERRARI®

DEFENDER® is a patented, innovative Ferrari® textile incorporating very high strength steel cables (380 kg/mm²). Used on its own or combined with other Ferrari® products, DEFENDER® provides effective security for many textile systems without changing their inherent flexibility.

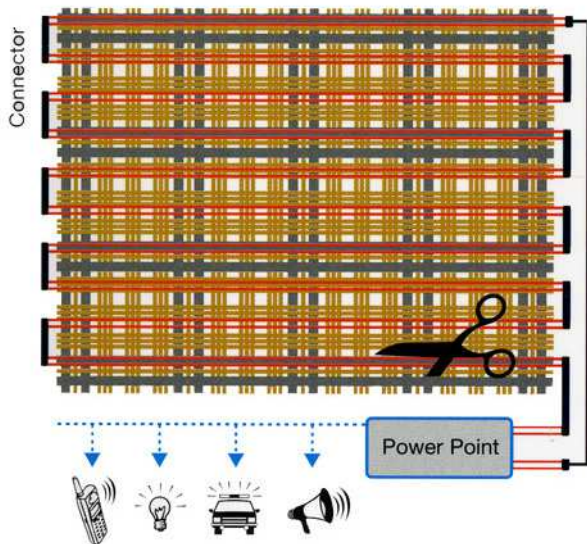

AN EFFECTIVE RESPONSE TO THE RISKS OF:

- accidental tearing
- intrusion
- vandalism
- theft
- load slippage

A UNIQUE CONNECTION SYSTEM CONCEPT

- Available soon. Consult us.

DEFENDER®, A COMPLETE SECURITY SYSTEM

More than just a textile, DEFENDER® is a genuine security device which offers several modes of protection to guarantee the best possible protection for goods and people.
