

Polytex®

7 oz per sq yd 12'6" wide

Comtex®

10 oz per sq yd 12'6" wide

Fire Rated Knitted ShadeFabric

Polytex® and Comtex® have been designed for shade structures and architectural shade sails. Their high strength to weight ratio, UV performance and fire ratings make them the ideal choice for residential or commercial shade projects.

Available in 16 Polytex or 15 Comtex designer colors
Blocks up to 96.9% of harmful UVA and UVB rays.
